Please join MAMA Seattle for our upcoming lunch seminar on Magical and Energetic Practices for Clearing, Balance, and Prosperity with Alison DeGregorio. Outside her legal practice, Alison is a dedicated practitioner of magical and energetic practices. She has studied various types of ancient and modern magical traditions since her early teens. Her unique perspective bridges logic and intuition, offering a grounded approach to understanding how to use magic in everyday life, even for very busy women. In this lunch presentation, she will introduce the fundamentals of magic and spellwork, sharing practical tools to cultivate balance, harmony, and abundance. Attendees can expect an engaging, accessible exploration of what magic is, and how intention and energy can be consciously directed to support a more aligned and fulfilling life.
